- **In-Service dates subject to change**

- **Severe Weather Policy (revised Jan. 2011)**

If there is severe weather in the forecast (ice, snow, flooding, etc) the Adult Center will follow the procedures listed below,

*If Hamilton County schools close there will be no STS bus services but the Adult Center will attempt to remain open for clients who need services. If this is not possible due to staff being unable to make it to work safely a message will be posted on the Director’s phone.*

*If the entire Signal Centers agency closes then the Adult Center will also be closed. There will be a listing posted on the local newscasts and a message on Director’s phone in regards to any additional days of closure*

***When in doubt – call us first before you hit the road ☺***
