Signal 2018 News

CAMP SIGNAL 2018 was super fun and full of campers. Camp Director Monica Stone, and her supportive team members: Traci Sloan and Corey Garrett mapped out a fantastic summer for the campers at Signal Centers. From baking cakes, to playing soccer and putt putt to being entertained by dancers, every single camper had a great time. Camp Signal is a 6-week camp for preschool and school age students with disabilities. Stay tuned for the 2019 orientations so you can reserve a spot for your loved one!

SPECIAL ANNOUNCEMENT

Stay tuned for dates and times in September to plan to attend Parent Handbook review sessions. These sessions are designed to enhance communication and eliminate confusion regarding expectations, calendars, start/end times and options for your children.

Save The Date

Thursday October 4th 5:30—7:30pm, the Friends of Special Children will host the 12th annual ABC Tent Event! "ABC" stands for: **A**ll **a**Bout **C**hildren! This wonderful and amazing non-profit organization chose Signal Centers for the past 12 years to be the beneficiary of their over the top fund raising event. People all over town say that this event has THE BEST silent auction in the South! THAT IS THE TRUTH! So save your money and save the date and plan to attend this event! The price of a ticket includes dinner, adult beverages (wine and beer) and dessert. Silent and Live Auction items are in addition to the ticket price, so bring your credit cards and come enjoy a festive evening to eat, drink and be merry on the grounds behind Signal Centers' playground. If you come once, you won't be able to wait for next year and you will bring a friend. For tickets and table prices contact: Debby Fredres at 423-698-8528, ext: 700 or debby_fredres@signalcenters.org

NOVEMBER

Thursday the 1st

Open House and Parent/Teacher Conferences

Friday the 21st

Thanksgiving Family Feast

This school year, Signal Centers is making a concerted effort to beef up family involvement by focusing on volunteer hours and training sessions. One key indicator of High Quality Early Education is Family Involvement. We respect your time and energy, so our attempts at scheduling these opportunities will vary to allow all family members to participate. If you have any special talents that you could share with the staff or children, please let your child's teacher, Corey or Pam know so we can schedule a time for you to shine!

Other ways to become engaged in our community of learners is to participate in our fund raising events, attend teacher/parent conferences, and even help out with organizational workdays to spiff up our storage spaces and teacher workrooms.

We have great plans for a super school year at Signal Centers. We look forward to getting to know each family in a meaningful manner that supports the love of learning everyday.

As always if there are concerns or complements, please pass those along to:
Pam Hudson, 423-322-7578.
